

Kleider Veterinary Services is proud to host ISELP Farrier Day with

World Renowned Professor Jean-Marie Denoix

Wednesday September 27, 2017

Therapeutic Shoeing of the Equine Athlete

Open to Farriers and Veterinarians

9:00am START

Therapeutic Shoeing of Foot Injuries

Therapeutic Shoeing of Joint and Ligament Injuries

10:30-11:00am COFFEE BREAK

Therapeutic Shoeing of Tendon Injuries

Therapeutic Shoeing for Suspensory Disease

12:30-1:30pm LUNCH

Therapeutic Shoeing for Podotrochlear Syndrome (Navicular)

Therapeutic Shoeing for Other Injuries and Case Studies

The above headings include a discussion of functional anatomy, biomechanics and corrective shoeing for the majority of conditions prevalent in our equine athletes.

Registration is \$90 and includes lunch and your notes on a USB memory stick, so bring your laptop computers. Auditing by other horse enthusiasts will be possible but attendees will need to respect that only farriers and veterinarians are permitted to participate in dialogue. Desk space is limited so seating will be allocated accordingly.

Registration form available at www.kleidervet.com/iselp-farrier-day or by phone 604-888-7565
